- ❖ While you are filling out this checklist, if you have any questions about anything please contact me at yardbird5372@yahoo.com I will answer all your concerns. There are a couple of questions on the **Fire Protection** list that asks about a Fireplace, this question may not concern you.
- ❖ But other than those two questions to be truly safe & prepared for a Fire Emergency you should not have any questions answered **NO**.

When you fill these out, only check YES if you have it in place already, not if you are planning on doing it, because following these few rules could very well save your life someday.
